

Ending and Preventing Homelessness for Women and Children

BUILDING HOPE

Winter 2020

We want to take a moment and express just how thankful we are for you - our supporters. This year has been challenging. You are critical to everything we do. Women and children that faced homelessness now have a place to sleep, play and grow because of you - like Barbara.

Your ongoing involvement ensures that we can continue to make a difference for mothers and children facing homelessness. We can't express our appreciation enough! We never forget that there is a person, family or business behind each gift!

We look forward with anticipation to 2021 and walking alongside more mothers & their children - made possible because of your generosity.

Wishing you a Merry Christmas and a New Year filled with the Joy & Peace of Jesus!

Jennifer Yothers, Executive Director

Barbara's Journey

There are no words to adequately express the depth of my gratitude toward Bridge of Hope BuxMont. Had it not been for this amazing organization, I have no idea how I would have been able to secure stable housing for my family.

We had no place to live, no money for a security deposit, and almost no belongings. Bridge of Hope, so aptly named, did just that. At a time when our situation was incredibly uncertain and I was struggling to find a permanent place for us to live. They compassionately and expertly gave us the literal and emotional resources we needed. With all of the help and support, I was able to see and walk that path toward hopefulness. I can never say "thank you" enough.

The Bridge of Hope family know exactly what struggling single mothers need — not just Giant gift cards, produce, and shampoo (although that really helped), but also advice, an ear to listen, a shoulder to cry on, resources, tools and a friend in a time of need. I can't thank Bridge of Hope enough for all they have done for my family. I am forever indebted to them for being absolutely instrumental in keeping my son and I together, and safe.

I hope that I am able to make even a fraction of a positive difference in someone else's life as they have done for mine. Thank you Bridge of Hope BuxMont, for all that you do, and thank you for all you have done for my family. I will never be able to verbalize the extent of my gratitude, but we will always be grateful for the life-saving generosity and compassion you have given us.

We are getting creative! We were able to celebrate our annual Christmas Dinner & Party in a new way. We delivered a catered, hot meal with plenty of holiday favorites. There were also Party Packs filled with gingerbread kits, cookie mixes and other fun items for the kids.

We missed being together but still were able to celebrate with our amazing families!!

Every child deserves
a stable background.
